

Introduced by Senator Hueso

February 19, 2015

An act to add Chapter 3 (commencing with Section ~~193000~~) 19300) to Part 3 of Division 13 of the Health and Safety Code, relating to automated external defibrillators.

LEGISLATIVE COUNSEL'S DIGEST

SB 287, as amended, Hueso. Automated external defibrillators (AEDs).

Existing law requires any person or entity that supplies an AED, which means an automated or automatic external defibrillator ~~(AED)~~ (AED), to notify an agent of the local ~~EMS~~ *emergency medical services* agency of the existence, location, and type of AED acquired and to provide the acquirer of the AED with all information governing the use, installation, operation, training, and maintenance of the AED. Existing law provides that any person or entity that acquires an AED is not liable for civil damages resulting from certain uses, attempted uses, or nonuses of an AED, except as provided, if certain conditions are met, including, but not limited to, that the AED is checked for readiness after each use and at least every 30 days if the AED has not been used in the ~~preceding~~ *preceding* 30 days. Existing law also provides that a person or entity ~~who~~ *that* provides AED training to a person who renders emergency care is not liable for any civil damages, as specified.

This bill would require certain structures that are not owned or operated by ~~the state or~~ any local government entity and are constructed on or after January 1, 2016, to have an AED on the premises. This bill would require a person or entity that supplies an AED to comply with

specified existing law regarding AEDs, and would exempt a person or entity that supplies an AED from liability for civil damages resulting from certain uses, attempted uses, or nonuses of an AED, as specified.

Vote: majority. Appropriation: no. Fiscal committee: ~~no~~ yes.
State-mandated local program: no.
